Cliftonville YBC said farewell to their President, Brian Constable after 20 years of service to the club. All the kids and parents gave Brian a great send off on Saturday 18th July 2009 at the Presentation Night. Brian has always shown considerable support to us even when his son became too old to bowl for the

YBC. He would often come away to tournaments such as Dunstable and Nottingham. He was presented with a watch which was inscribed with a special message from all his friends Brian still promises to be around and support the club. On behalf of the Club we wish you all the best and thanks for your dedication.

Tuesday Coaching league starts on the 28th July.

Bugsy's are starting a new league which will give everyone, young and old the opportunity to be trained by BTBA instructors and bowl in a singles league. The League starts on Tuesday 28th July at 6.30pm. We intend to start of with one hours of

training finishing off with two games of bowling. Anyone can join. YBC, Other league's and first time Bowlers. We will be looking at using some of the more senior bowlers to help with the coaching as well.

Coaching

Bowlers will be split between the qualified coaches. It will down to the coaches to organise training sessions for bowler's before after or on a date convenient to the coach and the Bowl.

This more structured process will need the support of the children and parents alike.
